THE BOOK

ALI DAVIDSON

Born of Betrayal

FROM BREAKDOWN TO BREAKTHROUGH

AUDIENCE

This book is written for women who have suffered loss and betrayal. It takes them by the hand away from their pain and toward a hopeful, empowered life.

BRIEF

Born of Betrayal is the true life story of how one woman suffered the devastating loss of a marriage, home, and community she counted on and learned how to create a new beginning.

Ali believes that women must heal from betrayal to become the leaders, healers, and change agents they are meant to be. She loves to teach, coach, and do retreats where women heal and discover their true nature.

ABOUT THE BOOK

Born of Betrayal is a serious roadmap through the transformation process. Each chapter represents a moment in time exposing a raw look at Ali's unfolding story and the insights she drew from it.

In rave reviews, readers have stated that "your words made me feel safe and not alone anymore. It's like the book was written about me." This best-selling book is what every woman needs to release the past, accept herself in the present, and find the motivation and desire to start over in a new way

ABOUT THE AUTHOR

Ali Davidson is a best-selling author, transformational coach and international speaker. Trained and skilled in many modalities, it is her heart and experiences that bring healing to those who need it. For over 25 years, Ali has dedicated her life to helping women step into their greatness by harnessing their power, connecting to their desires, and helping them become their own best friend.
